## COPA AMERICA 2024 - USA

Canada is making their CONMEBOL Copa America debut this summer as they are co-host with the US and Mexico. After a troubling play-off win they booked their ticket to the Copa America. Looking to rebuild after a tough 2022 World Cup run the national team brought in Jesse Marsch to coach them through this major international tournament and through the 2026 World Cup. They need to look towards their star players to help guide them through the group-stage.

## PREDICTION:

*Faced with a difficult group Canada has to play Argentina, Chile, and Peru all with good records at the Copa America and talented teams. Their path to the knockout-stage will not be easy and they are predicted to not even make it out of the group-stage, but will they beat all odds and make it through? (+8000 odds)*

*Canada vs France in a warm up match before Euro & Copa; ended 0-0.*

## PLAYERS TO WATCH:

### ALPHONSO DAVIES

*(Bayern Munich & Canada), Canada's star player who rose through the ranks in the MLS and is now one of the best fullbacks in the world after moving to Bayern Munich, fans are looking to him to carry Canada to victory.*
