COPA AMERICA 2024 - USA

The United States hopes to prove themselves at the 2024 Copa America played on home soil. They made their first appearance at the CONMEBOL Copa America in 1993 hosted by Ecuador. Their best result in the 1995 edition where they would finish 1st in their group and then advance to the Semifinals. They would reach the Semifinals again in 2016. The United States is looking to build on the success from the 2022 FIFA World Cup, but this Copa America could be their biggest test.

RECORD:

Best Result: Fourth Place (1995 & 2016)

PREDICTION:

The United States are predicted to finish 2nd in their group behind Uruguay, but the US is in their golden generation of talent with fans hoping they can finally make an impact in a major tournament. Depending on where they fall in the group the US could make a good run in the Copa America, but it won't be easy. (+1400 odds)

Christian Pulisic at the 2016 Copa America & Tim Weah at the 2022 FIFA World Cup.

PLAYERS TO WATCH:

CHRISTIAN PULISIC

(AC Milan & USMNT), the US captain had a highly successful 1st season with AC Milan. The 25-year-old will look to build on the positive momentum from his club season and bring that into the 2024 Copa America.

WESTON MCKENNIE

(Juventus & USMNT), versatility could be a key storyline for the US and their success at the tournament. With injury to Sergino Dest, McKennie could fill that role and be the solution the US are looking for.

THE TEAM:

GOALKEEPERS:

Ethan Horvath (Cardiff City), Sean Johnson (Toronto FC), Matt Turner (Nottingham Forest)

DEFENDERS:

Cameron Carter-Vickers (Celtic), Kristoffer Lund (Palermo) Mark McKenzie (Genk), Shaq Moore (Nashville SC), Tim Ream (Fulham), Chris Richards (Crystal Palace), Antonee Robinson (Fulham), Miles Robinson (FC Cincinnati), Joe Scally (Borussia Monchengladbach)
